

Free Makeover

Sheena decided to go to Debenhams in Farnborough for a free makeover.

Anyone who knows Sheena may well be familiar with her love of all things girly!

Her makeover was done by Kate, who worked on the Estee Lauder counter.

Kate was extremely professional, receiving full marks from Sheena for her detailed and attentive service.

“When Sheena came back, she was floating,” said Keyworker Tarne.

Sheena agreed that she had a great time and would go again. She was totally satisfied with the experience.

A perfect finish!
