

PARITY FOR DISABILITY WING WALKING CHALLENGE

SATURDAY 17 SEPTEMBER 2016

**Be one of the first to wing walk for charity!
The ultimate experience on a biplane that will
include zooms and climbs at speeds up to 130mph!**

Are you up for the challenge?

You're asked to pay a £50 deposit and raise a minimum of £930 in sponsorship.

The wing walking takes place at Damyns Hall aerodrome near Aveley Essex which is about 10 minutes north of the Dartford Thames river crossing. Aerobatictactics are the only company with Civil Aviation Authority approval to offer wing walking to the general public and for fundraising activities. Visit www.aerobatictactics.com to find out more.

On the day of your wing walking experience, friends and family are welcome and both airfields have a viewing area and a cafeteria serving food and drink until late afternoon. You will be with the team for a maximum of 90 minutes, but you are welcome to stay at the airfield and enjoy the atmosphere for the day.

Before your flight we provide a comprehensive ground and safety briefing when you will need to sign a fitness/waiver declaration. Once strapped into the 5 point harness you will take off for a 10 minute ultimate experience that will include zooms and climbs at speeds up to 130mph and passes near to friends and family.

There is the opportunity to have your flight recorded, edited and put on to a memory stick, which can be taken away immediately after the flight. The cost for this is £40 although there is no obligation. After your flight you will receive a certificate confirming you have participated in a wing walk.

PLEASE NOTE:
THE MAXIMUM WEIGHT FOR A WING RIDER IS 77 KGS (12ST 2LB)

WING WALKING IS WEATHER DEPENDANT. THEY DO NOT FLY IN STRONG WIND OR RAIN- SO THERE IS A CHANCE OF CANCELLATION.

ABOUT PARITY FOR DISABILITY

Parity for Disability exists because when people with multiple disabilities reach school-leaving age, services they received as children dramatically decline. At our day services, people aged 18+ from Hampshire, Berkshire and Surrey can learn, achieve and take an active part in their community, supported one-to-one by trained, caring staff, and accessing regular physio and speech therapy. The charity also offers music therapy both on-site and to other local organisations, and Easter and summer Teenagers' Activity Schemes. Parity for Disability must raise £120,000 this year to keep going. To learn more visit www.parityfordisability.org.uk or call 01252 375581.

WHAT ARE THE FEES & WHERE DOES THE MONEY GO?

Participants are asked to pay a £50 deposit and raise £930 in sponsorship for Parity for Disability. All monies raised will go to maintaining the charity's vital services for people with multiple disabilities.

WHAT HAPPENS AFTER SIGN UP?

When you return your application form and deposit, sponsor forms will be sent to you together with further information including fundraising tips, directions and times.
