What is firewalking?

It is the practice of walking barefoot on hot embers. A Blaze Firewalk is designed to help transform fear and to inspire people to do things they didn't think possible, It can show you that there is more to 'reality' than you think, that many limitations we experience in life are self-imposed.

Who is running the firewalk?

Blaze is committed to working with charities and fundraisers to help raise much needed funds and awareness. Our events help to bring teams together, encourage self-motivation and enhance communication. The major event that we have introduced to the UK over the last 30 years and utilised to great effect with many major charities is the Blaze Firewalk Challenge. For more information, please visit www.blazefirewalking.com.

Are there any fees?

Yes, there is a £25 registration fee with a minimum sponsorship of £120. This sponsorship money will help go towards vital services for people with multiple disabilities.

Why firewalk for Parity?

Parity is a small local charity with three day service in the local area supporting students from Hampshire, Surrey, Berkshire and beyond giving them the opportunity to learn and experience the things that many take for granted. By raising just £120 it, will allow our students to access physiotherapy sessions which will help them keep as active and as pain free as possible.

How do I register?

All you need to do is fill in the form and attach your registration fee and send to Community Fundraiser Emma Nelson, Parity for Disability, 94 Whetstone Rd, Cove, Farnborough, Hants GU14 9SX.
